

AUTHORSHIP DECLARATION

International Journal of Medicine and Health Innovations Perspectives (IJOMAHIP) requires all authors submitting manuscripts to complete this form to declare all persons designated as authors who have participated sufficiently in the work and made a substantial, direct, and intellectual contribution to the work.

Instructions for Submission

- A copy of this form, with signature of corresponding author, must accompany every new manuscript submission.
- This form ensures conformation to the good editorial practice of the journal publication.

Declaration of Authorship Checklist

Checklist Items	✓
1. I/We confirm that I am authorized by my co-authors to enter into this agreement on their behalf.	
2. All authors have made significant contributions to the submitted work in the following areas: <ul style="list-style-type: none"> Conception and Design: Contributed to the conceptualization and planning of the research. Acquisition of Data: Participated in collecting data for the study. Drafting the Article: Contributed to writing the manuscript. Revising for Intellectual Content: Critically reviewed and revised the manuscript for important intellectual content. 	
3. The article is original and has not been published in any other journal. It is not currently under consideration by any other journal.	
4. The article does not infringe on any existing copyright or other third-party rights.	
5. I/We have properly cited all sources from which visuals, data, ideas, or words were used, whether quoted directly or paraphrased.	
6. Any assistance received during the preparation of the manuscript is fully acknowledged and disclosed within the paper.	
7. I/We have obtained proper clearance from our organization(s) for the review and publication of the manuscript mentioned above.	
8. I/We have disclosed all actual or potential conflicts of interest associated with this publication.	
9. I/We confirm that the manuscript has been read and approved by all named authors. I/We are responsible for its accuracy and integrity. There are no other individuals who meet the criteria for authorship but are not listed.	
10. I/We confirm that the order of authors listed in the manuscript has been approved by all of us.	
11. I/We confirm that I/We have given due consideration to the protection of intellectual property associated with this work. There are no impediments to publication, including the timing of publication, with respect to intellectual property. I/We have followed the regulations of our institutions concerning intellectual property.	
12. I/We confirm that any aspect of the work covered in this manuscript involving experimental animals or human participants has been conducted with the ethical approval of all relevant bodies. This includes consideration of national and international ethical, legal, and regulatory norms and standards. Such approvals are acknowledged within the manuscript.	
13. All statements, formulas, tables, and figures contained in the article are true. If followed accurately, they will not cause any damage, illness, or injury to users.	
14. I/We declare that any use of artificial intelligence (AI) tools or technologies in the preparation of this manuscript has been disclosed. If AI tools were used for writing, language editing, or other purposes, this is explicitly stated in the manuscript. I/We take full responsibility for the accuracy and integrity of the content generated or assisted by AI tools.	
15. If accepted for publication, I/We agree that the article will be licensed under the Creative Commons Attribution License 4.0, as per IJOMAHIP's Copyright and License Agreement (and Open Data policy, if applicable).	
16. I/We understand that the Corresponding Author is the sole contact for the editorial process, including Editorial Manager and direct communications with the office. They are responsible for communicating with other authors about progress, submissions of revisions, and final approval of proofs. I/We confirm that I/We have provided a current, correct email address accessible by the Corresponding Author.	
17. I/We are aware of the publication charge that will be paid upon acceptance of the article for publication.
